

Bull

Bull

Weight: 27 lbs

Eyes: Brown

Color: White with brown & black spots

Born: January 20, 2014

Drafted by Wil-Kil in 2016, Bull is one of the new kids on the block. His name fits him perfectly because he has such high energy. As soon as his kennel is opened, he comes charging out, ready to work. Bull is a rescue dog, he was originally trained to be a deer hunter in Georgia, he now focuses that drive on bed bugs.
