IMPORTANT: Read this entire label and follow all use directions and use precautions. Use only for sites, invasions and/or to harboring or attracting rodent infestations. Examples of such structures include homes and terminal buildings and related structures around and associated with these sites. Fence and perimeter baiting, in areas prone to vandalism.

DIRECTIONS FOR USE:

1. Store unused product out of reach of children and pets.
2. Apply bait in locations out of reach of children, pets, domestic animals and nontarget wildlife, or in areas where rain and snow are not expected to contaminate water, food, or feed crops.
3. Dispose of product container and unused, spoiled, or unconsumed bait as specified on this label.

NOTE TO VETERINARIAN

If animal eats bait, call veterinarian or 1-877-854-2494 at once.

TREATMENT FOR PET POISONING

If Swallowed

Call a poison control center, doctor, or 1-877-854-2494 immediately for treatment advice.

HAVE LABEL WITH YOU WHEN OBTAINING TREATMENT ADVICE

NOTE TO PHYSICIAN

If animal eats bait, administer Vitamin K1 intramuscularly or orally. Repeat as necessary based on monitoring of prothrombin times.

DIRECTIONS FOR USE (Continued from other page)

Do not use this product in individuals/households/animals less than 30 pounds.

SELECTION OF TREATMENT AREAS:

Determine areas where rats or mice will most likely find and consume the bait. Remove as much alternative food as possible. Remove or convert food sources before treating. Eliminate sources of food, water, or harborage as much as possible. If reinfestation does occur, repeat treatment. Where a continuous source of food or water is present, establish permanent bait stations and replenish as needed.

APPLICATION DIRECTIONS:

Apply 3 to 16 one-ounce bait blocks per placement in infested areas. Space placements at intervals of 15 to 30 feet in infested areas. Maintain an uninterrupted supply of fresh bait for 10 days or until there are no signs of new feeding by rats.

NOTE TO PEST CONTROL PROFESSIONAL

Bait stations are mandatory for outdoor, above-ground use. Tamper-resistant bait stations must be used to prevent access by children, pets, domestic animals and non-target wildlife.

KEEP OUT OF REACH OF CHILDREN

CAUTION:

See section on First Aid and additional precautionary statements.

We provide competitive product features to ensure our customers remain satisfied with their product purchase.
IMPORTANT: Read this entire label and follow all use directions and use precautions. Use only for sites, pests, and application methods described on this label. It is a violation of Federal law to use this product in a manner inconsistent with its labeling. When used in USDA inspected facilities, this product must be applied in tamper-resistant bait stations, handling equipment, or milk or meat handling equipment or surfaces that come into direct contact with food. Do not place near or inside ventilation duct openings. Do not contaminate water, food, feedstuffs, food or feed crops. Burrow baiting with Ditrac All-Weather Blox is prohibited. Application of this product within 100 feet of man-made structures is prohibited. This product must not be applied directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark or to areas that will become water bodies. This product is extremely toxic to mammals, birds and other wildlife. Dogs, cats and other predators and scavenging mammals and birds might be poisoned if they feed upon animals that have eaten this bait. Do not contaminate water, food, feedstuffs, food or feed crops. Do not induce vomiting unless told to do so by the poison control center or doctor. Have a person sip a glass of water if able to swallow. If swallowed, this material may reduce the clotting ability of the blood and cause bleeding. If ingested, contact physician or 1-877-854-2494 at once. If animal eats bait, call veterinarian or 1-877-854-2494 at once. If animal eats bait, call veterinarian or 1-877-854-2494 at once. If animal eats bait, call veterinarian or 1-877-854-2494 at once.
