

SUPERIOR SERVICE, QUALITY PEST SOLUTIONS

Bob Bieneman IPM Sales and Service Specialist

History with Wil-Kil:

Bob joined Wil-Kil Pest Control in 2011

Approach to Pest Control: My approach to pest control is simple, I use my training and experience to identify pest issues, figure out the cause of the problem and then solve it. Every customer's problem is a little different, so the solution is a little different. You have to be willing to spend the time to understand what is going on in order to be successful.
