

SUPERIOR SERVICE, QUALITY PEST SOLUTIONS

Chris Robertson IPM Sales and Service Specialist

History with Wil-Kil:

Chris joined Wil-Kil in 2007

Approach to Pest Control: Like many of my co-workers, I kind of fell into pest control. I've stayed in the industry though, because it allows me to work with different people every day and find solutions to help them with their pest issues. Pests are creative, where there is a will to survive, there is a way, so I've learned a lot of tricks of the trade in my time at Wil-Kil.
