

SUPERIOR SERVICE, QUALITY PEST SOLUTIONS

Jeff Eikland IPM Sales and Service Specialist

History with Wil-Kil:

Jeff joined Wil-Kil Pest Control in 1991

Approach to Pest Control: When I'm not working, you'll find me riding my Harley. If you ride, you know that you can't get where you are going without the proper riding technique and an awareness of what is going on around you. The same is true in pest control, you won't find a solution unless you first know what techniques to apply and then pay attention to what is going around you that could contribute to success or failure.
