IPM Sales & Service Specialist

History with Wil-Kil:

Keith joined Wil-Kil in 2000

Approach to Pest Control: I look at pest control as one big hunting excursion. It takes patience, experience and skill to learn the habits of pests, track them, and understand how to stop them in their tracks. Over fifteen years at Wil-Kil have taught me a thing or two, but I like that no two days are the same and that I am always learning.

Pest Control Certifications:

3.0 Turf & Landscape

7.1 Structural Pest Control

7.3 Termite Control
