

## Matt Duwe

Technical Specialist

**Special Designation:** WPCA Master Technician

---

### History with Wil-Kil:

Matt joined Wil-Kil in 2001

**Approach to Pest Control:** I approach pest control knowing that every person and situation needs a different solution and approach. I am very detail-oriented, which I find valuable in my job. There are so many little signs that could make a big difference, which is what makes pest control challenging at times, but rewarding.

### Pest Control Certifications:

- 3.0 Turf and Landscape
- 6.0 Right of Way
- 5.0 Mosquito Control
