

SUPERIOR SERVICE, QUALITY PEST SOLUTIONS

Tim Weierke IPM Sales and Service Specialist

History with Wil-Kil:

Tim joined Wil-Kil Pest Control in 2011

Approach to Pest Control: I am an outdoorsman through and through, so pest control is a good fit for me because so much of my time is spent outdoors. I approach every day as a new challenge and a new opportunity to respond to my customers needs. I enjoy the integrated pest management approach because it allows me to not only solve my client's problems, but prevent new ones from coming down the road.
