

SUPERIOR SERVICE, QUALITY PEST SOLUTIONS

Todd Minlschmidt IPM Sales and Service Specialist

History with Wil-Kil:

Todd joined Wil-Kil Pest Control in 1990

Approach to Pest Control: There isn't really one approach to pest control, but there is one approach to working, and that is to work hard and help others. That's how I approach each day and each stop. My favorite part of my job is the people I work with. I love going home at the end of the day knowing that I have helped them in some way.
