

Tom Fuchs

IPM Sales & Service Specialist

History with Wil-Kil:

Tom joined Wil-Kil in 2015.

Approach to Pest Control: My approach to pest control is to listen to my customers' concerns. By doing that, I can effectively address any issues they may have and provide an effective solution. I enjoy meeting new people and working with my customers to not just minimize the visible pests, but also prevent other pests from becoming an issue.

Pest Control Certifications:

7.1 Structural Pest Control

3.0 Turf and Landscape
