

SUPERIOR SERVICE, QUALITY PEST SOLUTIONS

Jeremy Miller

IPM Sales & Service Manager

Special Designation: NPMA Food Plant Certified

History with Wil-Kil:

Jeremy joined Wil-Kil in 2012

Approach to Pest Control:

I take a very simple approach to pest control - I take care of my clients and their pest issues quickly and effectively. I like meeting different people and learning from them. I enjoy the challenge of finding out what is causing a pest issue and figuring out a way to solve it.
