

# SUPERIOR SERVICE, QUALITY PEST SOLUTIONS

## Paul Becker

### IPM Sales & Service Specialist

**Special Designation:** Purdue Course Completion, WPCA Master Technician, Associate Certified Entomologist (ACE)

### History with Wil-Kil:

Paul joined Wil-Kil in 1996

### Approach to Pest Control:

My approach to pest control starts with speaking with my customers and gathering information from them. After that I will complete a thorough inspection of the property, and after assessing the needs of my customer, I will work with them to choose the best IPM plan for them. I enjoy helping customers who truly need help by communicating with them and making recommendations based on my years of experience in the field, as well as my knowledge of the industry.

### Pest Control Certifications:

- 7.1 Structural Pest Control
- 7.2 Space and Commodity Fumigation
- 3.0 Turf & Landscape
