

Paul Breitenfeldt

IPM Sales and Service Specialist

History with Wil-Kil:

Paul joined Wil-Kil in 2017

Approach to Pest Control:

The thing I like the most about pest control and my position with Wil-Kil is that I am able to help all of my clients and develop personal relationships with each of them. Each pest problem is unique, and so is each client. My position gives me the ability to get to know so many unique people and find the unique solution to their pest problem.
