

Roberta (Bobbi) Leask

Utility Technician

History with Wil-Kil:

Bobbi joined Wil-Kil in 2017

Approach to Pest Control:

When it comes to pest control, I like to make sure my clients understand everything I'm doing, and why I'm doing it. I believe that if my clients know why they have a pest problem, and what can be done to solve it, that we can work together to rid their home/business of pests. Effective pest control is a team effort between clients and their technician.
