

*Jack*

# Jack

**Weight:** 27 lbs

**Eyes:** Brown

**Color:** Brown, black and white

**Born:** September 2015

---

Drafted in 2017, Jack is a work hard, play hard, nap hard kind of guy. Anyone that has met Jack can see how happy he is helping people by sniffing out bed bugs and their eggs. He may look like a serious pup, but he does like dressing up from time to time as well as enjoying his time off with his canine siblings.
